SOUTH EAST WATER LTD CORPORATE OFFICE - WARRIGAL ROAD, MOORABBIN

The building was designed to consolidate South East Water's administrative and associated Information Technology departments from three existing sites forming a central Corporate office.

The building accommodates 490 staff and is equipped with a major computer/communications room containing South East Water's main processing and communications hardware.

The office building incorporates general offices, executive areas, computer and communications rooms and a cafeteria to seat 100 people.

A 100 square metre atrium has been incorporated in the centre core area of the building providing an abundance of natural light to a garden and courtyard on the ground floor.

Design provided included mechanical, electrical, hydraulics, security, voice and data communications and information technology systems including standby electrical power generator.
